

Host Request Form Orangutan SSP Husbandry Workshop

It is highly recommended that before applying to host the Orangutan SSP Husbandry Workshop that you review the Orangutan SSP Husbandry Workshop Hosting Manual. Make sure to pay extra attention to past workshop budgets and make sure your facility will either be able to cover extra expenses or has a plan in place for raising the additional funds. Lastly, it is recommended that you meet with members of your facilities senior management to gain approval. ***It is highly unlikely that your request to host the Orangutan SSP Husbandry Workshop will be approved by the Orangutan SSP if you do not have your facilities support and/or commitment to cover any additional workshop cost. The Orangutan SSP will NOT be held responsible for additional cost or overages.***

Please submit this form to Angie Selzer at angie.selzer@kidszoo.org. All workshop requests will receive a response within 30 days.

Date: _____

Name: _____

Affiliation: _____

Address 1: _____

E-mail: _____

Address 2: _____

Phone: _____

Year You Wish to Host: _____

Do you have your facilities full support: _____

If yes, please attach a letter of support to you email from a member of the senior management of your facility. If you do not have the support of you facility, please explain in the space below.

If you said No, how do you plan on covering any extra expenses? Keep in mind that workshop budgets have ranged between \$5,000 to \$20,000 plus. Additionally, it is very difficult to cover all of the cost associated with the workshop on registration fees alone.

Why do you want to host the Orangutan SSP Husbandry Workshop?
